TO: The Director

FROM: GACarver, Jr.

SUBJECT: The "Soviet Activities in Asia"

REMARKS:

1. Attached is the document we have been discussing. It is the fruit of a [] request which -- as I explained -- I initially regarded as frivolous and was inclined to give the "attention it deserved." [] The end result was dispatched to [] on 1 May. I have since learned that this was a subject on which the President did express an interest, that this document was sent into the Oval Office, that he read it and apparently liked it. One can never tell.

2. The young lady who wrote it is [] [] She is in OCI/EUR/SRE.
